

## Storm water Management Bylaws

- No person without the direct and written consent of the Municipality may discharge storm water.
- No person may construct a mechanism which allows the discharge of the storm water.
- No person may obstruct or interfere with the normal flow of storm water into out or through a storm water sewer without the prior written approval of the Municipality.
- The Municipality may issue a notice suspending access to the storm water system when it is necessary to stop a risk like pollution or a risk to public health.
- As soon as an owner or occupier becomes aware of the risk the owner or occupier must take immediate steps to ensure its containment.
- Notify the Municipality as soon as it is reasonable possible.
- The owner or occupier of a premises shall be responsible for the construction and maintenance at his/her own expense of any storm water drains on the premises and any connection between such drains and the storm water system.
- Contravention may mean a fine or imprisonment
- This bylaw is called **STORMWATER MANAGEMENT BYLAWS.**
