SPECIFICATION AND PRICING SCHEDULE

BID SPECIFICATION

MANAGEMENT OF OUTDOOR ADVERTISEMENT

Purpose

The aim of the project is to manage outdoor advertisement in Ulundi Municipal area of jurisdiction through development of a policy and strategic documents on outdoor advertisement.

Background

Outdoor advertising is advertising that is visible from public places such as streets, squares, bus stops or taxi ranks, and that can be put up on publicly or privately-owned property.

The uncontrolled increase in outdoor advertising in Ulundi has an aesthetically degrading influence on the environment, as well as adversely affecting road traffic safety by distracting drivers. It is obvious that in order to correct these, a balanced approach to the situation is needed.

In terms of part B of Schedule 5 of the South African Constitution, outdoor advertising is the function of municipalities. It is therefore necessary that outdoor advertising be regulated in order to provide opportunities for the outdoor advertising industry and local businesses to advertise in a controlled manner, throughout the municipal area, and in the process allowing the Municipality an opportunity to generate revenue.

Project Objectives

- To explore possible opportunities and new mediums in outdoor advertising as well as maximising revenue potential;

- To take advantage of and commercialise every possible land and properties strategically for outdoor advertising;
- Through outdoor advertising, the Municipality aims to generate income and provide opportunities for the local people, local businesses and the industry to advertise in a manner that will fight poverty and unemployment;
- To regulate the types of advertisements that are displayed in different areas, and in this manner protect the environment;
- To ensure uniformity in outdoor advertising in the municipal area;
- To ensure that all outdoor advertisements abide by applicable legislations and policies including, but not limited to the Advertising on Roads and Ribbon Act, 1940 (Act 21 of 1940), as amended;
- To ensure that all outdoor advertisements are tasteful, aesthetically pleasing and promote business in the Ulundi municipal area.
- The successful bidder(s) will be responsible for the design, manufacture, installation and maintenance of advertising signs.
- Ulundi Municipality will not compromise legislation compliance and thorough consultation during the process. To this end, Ulundi Municipality requires professionals with proven record of successful performance of similar projects;
- At all cost, avoid community conflict through proper and efficient consultation processes and involvement of Local Authority structures.

$$LC = [1 - x / y] * 100$$

Where

Prices referred to in the determination of x must be converted to Rand (ZAR) by using the exchange rate published by the South African Reserve Bank (SARB) at 12:00 on the date of advertisement of the bid as required in paragraph 4.1 below.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Municipal Bidding Document (MBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Municipal Supply Regulation 38(1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
 - a. take all reasonable steps to prevent such abuse;
 - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
- 4 This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (MBD9) must be completed and submitted with the bid:
 - 1 Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
